February 7, 2011

Dear Friends,

We are offering nine weeks of day camp this summer. We are offering various life experiences for individuals with disabilities starting at age 8 and up. Our camp is being held at an ADA accessible home located in Brunswick. The home has an open plan for easy movement throughout plus a fenced in backyard. We will be providing access to the community through scheduled outings and field trips.

The purpose of our camp is to provide opportunities for individuals with disabilities in a home-like setting to prepare for a future of independent living. By providing these experiences before individuals move into their own homes we hope to lay the foundation for more independence and an easier transition.

Please review the enclosed packet carefully and the **deadline dates**. Please give detailed information regarding your campers' needs. This will help us provide a safe and fun-filled experience for everyone. All forms must be completed and submitted by May 2, 2011 and will be accepted on a first-come first-serve basis. Please send completed forms to: 1120 North Huntington St. Medina, Ohio 44256. Information concerning fees and financial aid for Medina County residents is included in the attached packet. We accept private pay, Family Resources, IO and Level One Waiver. Please note that scholarships are available.

Checklist of items due by May 2, 2011

- *Registration Form
- *\$75.00 Non-Refundable Deposit for each week of registration
- *Medical Record form and PRN form completed by physician
- *Parent/Guardian/Camper Consent form
- *Activities of Daily Living Form

We will send a confirmation to you with the date(s) your camper is due to attend. If for some reason you need to cancel your camper's session, please let us know as soon as possible. We hope you join us for a new Life Skills Camp experience

Sincerely,

Sharon D. Biggins
Service Coordinator
