The **Grande Cafe Roastery** is a paid work program for individuals with disabilities operated by Medina Creative Housing. In this supportive environment we focus on abilities, work in ways that produce success, instill work ethic, and build skills and confidence. Here you will be enthusiastically greeted by our Grubologists and served locally grown produce picked daily in our hydroponic greenhouse located a half a mile away. Medina Creative Produce is turned into specialty salads, wraps, paninis, pizzettes and soups...all for the "Health of It"!

Here you will experience our "Working Coffee House" up close and personal. We source our beans from around the world and transform them into gourmet **Creative Living Coffee**. You will see our Roastologists as they roast, grind, package and, distribute the finest coffee money can buy. You will also see our Brewologists turn our Creative Living Coffee into gourmet specialty coffees for your enjoyment.
